

Penguin Brand Dry Ice™

**The ultimate ingredient for
all your Halloween festivities**

Transform your space with cinema-grade fog to take party decor and outdoor displays to the next level.

Find us in over 5,000 retail locations!

Instant Atmosphere Made Simple

True Low-Lying Fog

Fog stays heavy and sinks to the ground, creating a perfect atmosphere.

No Power Outlets Needed

Easily set up special effects anywhere without cords or electricity.

Clean & Odorless

Enjoy thick smoke without chemical smells or oily residues.

Nationwide Retail Availability

Conveniently available at 5,000+ local grocery stores for maximum volume per bag.

Simple Ways to Haunt Your Space

Cinematic Fog Effects

Produce movie-quality fog for haunted houses, walkways, and cauldrons.

Erupting Jack-o'-Lanterns

Turn ordinary carved pumpkins into dramatic, spooky focal points.

Haunted Food & Refreshment Stations

Create dramatic, smoking food and beverage displays for your party.

Illuminated Backlit Mist

Pair fog with LED lights for glowing, supernatural decor and dance floors.
